Bellevue Report by Carla Marrow-Secretary: Event-Come and Buy our Kiwanis BBQ Pork July 27th – 29th at the Bellevue Art Fair

The club had our last Jubilee REACH Breakfast and Highland Center Dinner service until the fall. But don't hang up your apron quite yet ... we will continue our monthly dinner service (3rd Thursday of each month) throughout the summer at the Bellevue Salvation Army.

An extra bonus – this month we partnered with the Newport Key Club to collect prom attire and accessories and give them new life through Ruby Room. The Ruby Room is a nonprofit organization providing formal attire to teens in financial need across the State of Washington, enabling them to participate in high school milestone events. Teens come from across the state to receive a dress they can keep, at no charge! The rally netted 12 dresses, 6 men/women shoes, 1 dress shirt and lots of men/women accessories! Thank you donors!

Annual Bellevue Kiwanis Choral Awards Luncheon - One of the most entertaining events of the year, and this year was exceptional. This year we had four recipients from across the Bellevue School District (a couple schools couldn't attend). We provided lunch for the students, teacher and parent(s) and we were treated to some very talented performances. Afterwards, each performer was presented with a certificate of achievement and a college stipend from the Bellevue Kiwanis club.

Annual Bellevue Kiwanis Highland Games - And for our very favorite event of the year the Highland Games - and this year was no exception. We had 10 teams making up roughly 150 athletes plus coaches, family and friends. We provided multiple track and field events and received a lot of wonderful feedback from athletes and coaches. Don and his crew provided (300) lunches. And we were able to donate the extra sandwiches and carrots to Sofia's Place in Bellevue. With this event – EVERYONE WINS! Thank you to AJ for chairing the event and all the Kiwanis, Key Club and Community volunteers.

WHAT'S NEXT – The club is busily planning our summer fundraiser “Kiwanis BBQ Pork”, July 27th – 29th at the Bellevue Art Fair. Note, we're making some changes so come and by and taste the new Kiwanis BBQ!

Note: No Reports Submitted so you can click on their websites or link they sent.

10. <http://snoqualmievalleykiwanis.weebly.com/>

Snoqualmie Valley Report by President Marie Jackson-Board voted on the following: We had our Board Meeting and elected officers, we also voted on becoming a 3-2-1 Club, which we think will boost membership and bring back some of our "idle" members back into the fold. This will be effective with the next administration in October.

We voted on sponsoring a new Key Club at our local Alternative High School, Two Rivers. The principal of the school is one of our members, and she has an advisor all ready to come aboard. Joe Dockery, Mt Si High School's Advisor, is all ready, willing and able to assist where he can.

By Debby Peterman: Update on some of the great things Snoqualmie Valley Kiwanis is doing lately. We have not had an evening meeting because the attendance was so poor at the last one and people seem to be interested in just volunteering instead of coming to meetings.

- **Scholarships: Thanks to Marie, Kevin, Brian and David Hamilton for helping with our Mt Si scholarship selection. We received 42 applications from graduating Mt Si seniors; all of them amazing in many ways. There is a very impressive, hard working group of young people graduating from our school district. We have selected 5 winners and two alternates. Awards will be given out at graduation. We will be working with Two Rivers in May to select their scholarship winners.**
- **Kiwanis Community grants: This year, with money we raised through the marathon, we started our Kiwanis community grant program.**
- **Each month we invite a nonprofit to speak at one of our morning meetings, and we award them a check for \$500.**
- **We have handed out checks to the Mt Si Senior Center, Encompass and the Snoqualmie Museum. We don't tell the nonprofits in advance that we will be handing out the money so it is a nice surprise. We have a number of great nonprofits in the valley. This year we will be handing out ten \$500 awards.**
- **Playground-Chelsea's dream- Kiwanis is partnering with Chelsea's dream to build a playground for children with special needs. This playground will replace the one at Centennial field. The city will contribute \$158,000 to replace the existing playground and Chelsea's dream will raise funds for the remaining funds. It will cost over a million dollars. The playground will have ramps, will be totally fenced, a wheel chair swing and much more.**
- **Board Meetings: Instead of evening board meetings, we have switched our board meeting to the fourth Thursday of the month at our regular time, 7-8 AM at the Mt Si Golf course. Everyone is welcome.**

- **Speakers:** Thanks to Marie for a very great schedule of speakers at our morning meetings. Gardner Vintage from the Museum entertained us with stories about historical North Bend. Did you know that the streets in North Bend draw their names from Australia - Bendigo, Sydney, Ballarat? William Taylor, one of the city's founders, was on his way to Seattle to submit a plat map for North Bend. On the way he realized he hadn't named all the streets. At the time he was reading a book about Australia, hence we got names from his book. After he turned in all the paperwork, he was mad at himself for not naming the streets after the people of North Bend.
 - **May 16 Yard clean up >** Mt Si Key club has asked us to help with yard clean up. Place and time to be determined. If you know of a senior or someone needing extra help in their yard, please let us know.

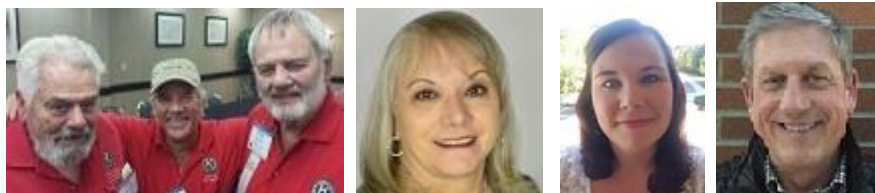

I have featured the following Club Presidents in these issues below and I hope that you got to know a little bit about them even if you have not met some of them in person:

October Issue

Redmond **Kirkland** **Sammamish** **Bellevue** **Issaquah**
