*Re: Passing of Louis Hough – Founder of Heidi-Ho Products*

*Dear Ed;*

*The District recently lost a longtime friend of Kiwanis, Louis Emerson Hough. In the PNW, he was an Oregon high school graduate and then a Naval trainee in Idaho and Washington. He served the Shorewood Kiwanis Club for over 40 years as an active member in St. Clair Shores, Michigan.*

*He is best remembered as the founder of Heidi-Ho Gourmet Nuts and Delicious Delights, that last year helped serve as fundraisers for a total of 149 community service clubs; 80 that were Kiwanis with the balance being Lions, Rotary, Zonta and other organizations. His full obituary can be found here:*

*Heidi-Ho Products have often been an exhibitor at PNW Kiwanis District, Mid-Winter and Region Conferences. Those efforts are led by his daughter Heidi (Hough) Webster, a member of the Kiwanis Club of Kirkland, WA; the girl pictured on the Heidi Ho trademark. The company is now chaired by her brother Rory Hough. Here is the company website:

*As a Past Lt. Gov. for Division 28, I wish to extend our heartfelt thanks for a life well lived that served Kiwanis. We know the luck of the Irish is to have the Hough's as a part of the Kiwanis family.*

*Sincerely,*

***Matt Gregory***
